## **TUESDAY MORNING GOLF LEAGUE**

The Highwood Ladies Tuesday Morning Golf League is pleased to announce that League play will start May 26, 2020. We invite all lady golfers to join our Ladies League. Would you like to try it out? Any lady is welcome to play one time before deciding to join the league.

We will endeavour to host 17 League Days in 2020 with our Game of the Day that you enjoy. We are lucky that this challenging year with these unusual times, has only prompted cancellation of our Opening Registration and Opening Scramble. Our League Days will be quite modified with tee time starts and no congregating before or after golf. All skill competitions like Chip-Ins, KP's, Break 80/90/100 are on hold due to COVID-19 restrictions. All Calgary Ladies Golf Association tournaments and Interclub are cancelled as well for 2020.

### **GOLF CANADA MEMBERSHIP**

The Highwood Ladies Tuesday Morning Golf League requires that you maintain a GOLF CANADA membership as you compete for prizes and must have a certified golf handicap. The World Handicapping system has created a platform where handicaps are calculated the same worldwide however the individual REGIONS manage their own systems and are not integrated for other clubs to access. The membership provides you with a platform to maintain your handicap as well as insurance on your golf clubs and glass insurance if you happen to break a window – anywhere you play! In addition to your benefits, the association promotes and supports Junior Golf programs throughout the country – a must in this sport where interest is declining. If you have not arranged to purchase your GOLF CANADA membership through the club yet, you can do so on the REGISTRATION LINK below.

**We do hold out hope that we will be able to host our Closing Scramble September 15, 2020 if the congregating restrictions are lifted. Come join in the golf with this fun group of ladies!**
