- The Day Ladies will play on Tuesday mornings, in a back nine shotgun, usually at 8:30 AM. There may be a need however, to change the start time / switch to tee times in the shoulder months.

LEAGUE FEE STRUCTURE For 2025

- **Members- \$70.00**
- Non Members- \$80.00
- Honorary Members- \$50.00

WEEKLY PROCESS

- Sign up to play each week by signing on to the Highwood website and registering for the Ladies League Signup Event in the Highwood Calendar.
- Non-members will have to email - Dan (pro) at dan@highwoodgolf.com to sign up.

- **The deadline to sign up for the next Tuesday is Saturday at 5 PM. If you are late signing up you will be able to play but not necessarily eligible for the weekly game prizes.**
- On Make Your Own Foursome Days, you can sign up with a group of your choice, or as an individual.
- On Game Day, check in with the Ladies Executive- usually in the Fox's Den. Sign up for the Closest to the Pin, Chip In competitions and the 50/50 draw if you wish.
- There will be a Game of the Day each week. See the schedule.
- **The first game is scheduled for Tuesday, May 6th, 2025**
- Handicaps will be looked up, the groups will be made up and scorecards will be prepared.
- Hand in your score cards to the Club Captain.

The treasurer will calculate the Game of the Day winners and email out the winners and the prize amounts and announce the game for the next week.

- Prizes will be credited to your Highwood account. Non-members will receive Highwood gift certificates
- **The maximum handicap for Ladies League will be 40.**
- **If you decide to pick up on a hole, the maximum score assessed for the hole will be 4 over par.**
- **Preferred Lie** – Until the end of June, if you land in an undesirable spot in the closely mown area through the green (a.k.a. the fairway), you must mark your ball, and then you may lift your ball, clean it if you wish, and place it in a preferred lie, within one club length of where your ball came to rest, no closer to the hole. You can only place your ball once so choose your spot carefully. There is no penalty. Do not bump your ball with your club, as that incurs a one stroke penalty.
- **Gimmee Putts** – Gimmee putts are allowed **within 18 inches** of the hole. Putters are not all the same length and this is not necessarily “inside the leather” on everyone’s putter. Please measure 18 inches from the top of the head of your putter and mark the shaft of your putter to

determine if the putt is short enough to qualify as a gimmee.

- Remember to post your score in Golf Canada.
- Highwood is participating in CHAMPS and Country Interclub in 2025
- Highwood is not participating in SLIC for 2025
- The Spring Opening Scramble, lunch & meeting is scheduled for May 20th
- The Fall Closing Scramble, lunch & meeting is scheduled for September 23rd.
- The Ladies' Open is scheduled for Sunday, July 20th.

CLOSEST TO THE PIN (KP)

INTERCLUB COMPETITIONS

Sign-up sheets for Interclub will be available at the Welcome Back event on April 29th and are posted in the Locker Room. Teams will be made up prior to each Interclub. Full members get priority over social members and non-members. You will be notified by the coordinator if you have been selected to play. Names of those chosen to play be posted on the Bulletin Board. There is no charge for the green fees. Each player pays for a power cart if they want one.

COUNTRY INTERCLUB

Joan O'Toole 403-461-8217 joanieotoole@hotmail.com

Highwood, Cottonwood, Redwood Meadows and Priddis participate in Country Interclub. Games are played once a month, usually on a Monday, with each club hosting once. Each club sends 5 A players (index < 20.1) and 5 B players (index 20.1 to 35.2) as well as the coordinator. Teams are made up with a player from each club. There is a pre-arranged lunch after the game; each player pays for their lunch.

Points are awarded by player (1 for bogey, 2 for par, 3 for birdie, 4 for eagle, 5 for albatross) and at the end of the season the club with the most points is declared champion and are awarded the trophy.

CALGARY HOSPITALITY & MATCH PLAY SECTION (CHAMPS)
Organized by the Calgary Ladies Golf Association
Judy Webb- 403-807-2545 judywebbsmail@gmail.com

Interclub match play event is a round robin schedule of games between participating clubs. It is attractive to players who prefer a moderate level of competition sprinkled with a heavy dose of camaraderie. The event features 2 A index and 2 B index players from opposing clubs. Following golf, the focus turns to fun where players share their experiences of the day over lunch (ordered off menu) and libations. Each player pays for their cart (if using) and their lunch. Golf is complimentary. Friendships formed, good golf and “rather forget” incidents are shared at a windup tournament hosted at a different club each September.

Handicaps for Tuesday League

Dan will calculate handicaps averaging out scores for **Tuesdays only**. These will be reflected on the golfer's card for each league game and updated after every Tuesday game.

POSTING YOUR SCORES

It is your responsibility to **POST** your scores in Golf Canada to establish your Handicap for competitions. All scores must be posted in order to reflect your current handicap. The Pro Shop along with your Captain would be happy to assist you in getting familiar with posting your scores.

MAKE IT EASIER!

Download the Golf Canada App on your phone and post from anywhere when you get off the course!

WORLD HANDICAP SYSTEM

The World Handicap System determines the maximum number of strokes a player can post into the computer on any hole, based on the player's course handicap.

The maximum hole score for each player is limited to a **Net Double Bogey** and the **calculation is simple – Par + 2 + any handicap strokes for the hole.**

You need to know:

- **your handicap at the course you are playing, and**
- **the number of handicap strokes you get on each hole.**

A Simple Example:

Your handicap is 36, you get 2 strokes per hole.

On a Par 3 you can record a maximum of 7 = Par 3 + 2 + your 2 strokes.

On a Par 4 you can record a maximum of 8 = Par 4 + 2 + your 2 strokes.

On a Par 5 you can record a maximum of 9 = Par 5 + 2 + your 2 strokes.

If you enter your score as a total, you have to adjust the total for maximum hole scores. If you enter your score hole by hole, the system does it for you. If this is not clear be sure to enter your score hole by hole in Golf Canada so your handicap will be correct.
