

## **Welcome to the Rio Ladies Golf League**

The Rio Ladies Golf League is a fun noncompetitive league for women who just like to get out for a fun round of golf. We welcome all levels and ages of golfers. The basis for this league is to embrace the game of golf no matter your level of golf, make some new friends and enjoy the fun but challenging Spitzee course here at the Highwood.

We golf Monday, Tuesday & Wednesday mornings starting at 9:00 with tee times. You sign up weekly and can golf as many days as you like. Registration is \$20 and then you pay your weekly green fees and power cart fees. Teams are made up each week, so you get to golf with different ladies each week.

Once a month we have game week with easy fun team games and then the last Wednesday of each month we have a luncheon and prizes are given out.

If you are looking at taking up the game, haven't golfed in awhile or just a league where you can come out and golf, meet some great ladies check us out!
