TOURNAMENT PACKAGE

WELCOME TO HIGHWOOD GOLF CLUB

Established in 1958 and located a short 30 minute drive south of Calgary in High River, the Highwood has every city amenity with a little extra. Situated beside the majestic Highwood River our courses offer a tranquil setting with mountain views and friendly smiles.

OUR COURSES

HIGHWOOD

Our 18 hole Championship course has challenged golfers of all skill levels for many years. Though the layout has changed over time, both the beautifully tree lined Heritage and scenic Mountainview nines present a unique test any golfer can enjoy.

PAR | 71 **BLUE 6568 YDS** **WHITE 5845 YDS** **RED 5282 YDS**

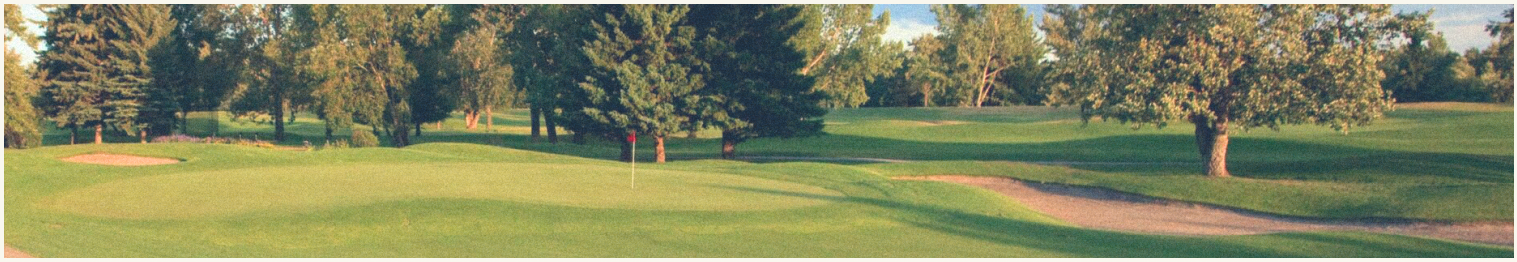

SPITZEE

Scenically situated along the banks of the Highwood River, our 9 hole Spitzee course is a peaceful and picturesque gem tucked away in the foothills. The layout offers a great place to golf for families, beginners, or any golfers who value a quick and affordable nine hole round.

PAR | 33 **BLUE 2580 YDS** **WHITE 2130 YDS** **RED 1802 YDS**

PRACTICE FACILITY

Your event will have full access to our full length, grass tee driving range, short game area with, chipping green and practice bunkers, as well as our practice putting green.

FORMATS

We can offer a variety of starting formats for every size of group. We would be happy to go over options and formats for your group. The following guidelines may be altered to suit your groups needs.

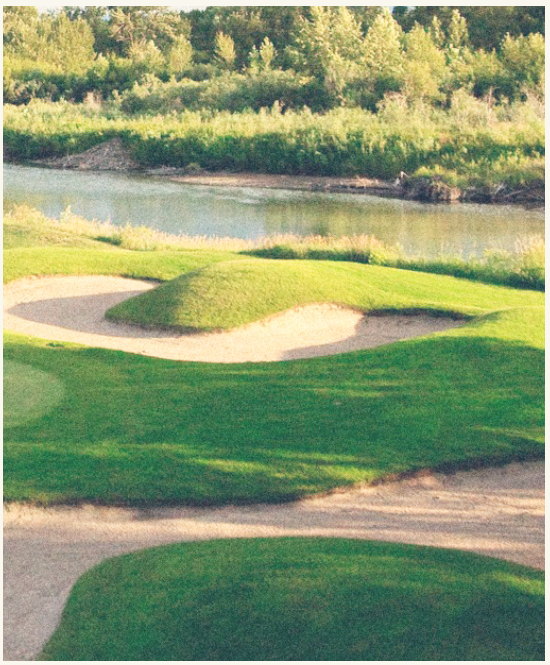

FORMATS		
	TEE TIMES/CROSSOVERS	*64 PLAYERS*
	9 HOLE SHOTGUN	*72 PLAYERS*
	18 HOLE SHOTGUN	*144 PLAYERS*
	27 HOLE SHOTGUN	*216 PLAYERS*

A shotgun format is where larger groups start at the same time on different holes and finish at the same time which is great for coordinating meals and prizes following golf. 18 hole shotgun starts are available after 1:00 PM.

9 hole shotgun and crossover/tee time starts allow for a wider variety of starting times to suit your needs.

A crossover start is ideal for a medium sized group and allows for groups to begin play on the first hole of both nines. Compared to regular tee times, a crossover allows groups to finish golf with less time between the first and last groups.
